

KAPPA KAPERS

President's Message by Donna Houser

Achievements, challenges, frustrations, responsibilities, celebrations and time constraints await educators as we prepare for the 2013-2014 school year. Keep in mind that no other profession touches so many people with such long-lasting effects as teaching. Whether you are a retired educator or an active educator, I hope you had opportunities this summer for time to refresh yourselves for the year ahead. Continue to refresh yourself by giving yourself one completely unscheduled day every month.

Our Alpha Alpha State President, Kay Stuart, has chosen the theme: *Engage, Equip and Empower* for her 2013-2015 biennium. Kay will be our guest speaker at our 4-chapter meeting on April 12, 2014.

Engage: Our members in the work of the Society; potential members who are outstanding women educators; in a partnership with other organizations to advance our Purposes.

Equip: Members with leadership training; members with professional development and personal growth opportunities; members and non-members with scholarships and grants; members with the knowledge of our 7 Purposes.

Empower: Members to lift up all women; women to promote educational excellence; members to be strong, confident leaders in their communities, schools, and in the Society.

Our chapter was well represented at the state convention in June. In attendance were Pat Crouse, Ruth Glotfelty, Crystal Header, Donna Houser, Diana Mettler, Nancy Sprenkle, Tiffany Warner and Margaret Wolf. Our newsletter editor, Crystal Header, was awarded an Enrichment Grant for a mission trip to Haiti. Crystal will be sharing her experience with us at our February 22 meeting. Crystal also accepted a certificate in recognition of Kappa's outstanding newsletter. Thanks to all members who contributed school supplies for Early Career Educators (ECE). This project was over-whelming successful.

I'm looking forward to seeing everyone at our first meeting and program on September 17, 5:00 PM at the Carlisle Police Department, 240 Lincoln St., Carlisle, PA. A bag supper will be provided.

*Treating every student fairly is not treating every student the same.
Therein lays the secret to a successful teacher.*
